

# PLANT-STRAVAGANZA

*Pollinator Solace Columns*  
community workshop

**SHERMAN PARK, CHICAGO**

Thursday, June 1, 4-5pm (Sherman Park Library  
5440 S Racine Ave)

Saturday, June 3, 10am-2pm (Sherman Park, 1301 W 52nd St)

Pollinator nest building, seed sculptures, and native seed give away. In collaboration with the Sherman Park Library and the Keller Science Action Center of the Field Museum, the Pollinator Solace Columns project hosts a community eco workshop focused on supporting native species in Chicago. Star Farms will join the fun with a pop-up produce stand.

(Habr  esculturas de semillas, talleres para construir nidos de agentes polinizadores y regalaremos semillas locales.

En colaboraci3n con la librer a Sherman Park y el Keller Science Action Center del Field Museum, el proyecto de Columnas Solares Polinizadoras patrocina un taller vivencial ecol3gico comunitario enfocado en la preservaci3n de las especies nativas de Chicago.)

***Artwork located at Northwest corner of the park,  
South of the playground***
